

# Glenelg High School 2021-2022 SAT Prep Courses

The Glenelg Boosters Club is sponsoring three SAT Prep Courses at Glenelg High this school year. These courses are designed to prepare students for the upcoming SAT tests. They will be taught by GHS staff. The math sessions cover expanded topics from college preparatory math. The verbal sessions will help increase reading comprehension and help prepare for the writing portion with emphasis on grammar and sentence structure, plus opportunities to practice the essay.

Each course will provide five weeks of preparation prior to SAT testing on December 4, 2021, March 12, 2022 and June 4, 2022. Students may elect to take both the math and verbal SAT Prep Courses or simply choose one. The SAT Verbal Prep Classes will be held in Room 135 from 6:00-8:00 pm and is taught by Ms. Leila Chawkat on Thursdays. The math course will be taught by Ms. Carol Doermann in room 238 on Wednesdays. The cost for math and verbal SAT Prep Courses is \$250. Individual math or verbal sessions can be taken for \$125 each. These classes are for Glenelg High School students. They will be given first priority upon class reservation. If there is additional room in a class, other high school aged students (must be in 9<sup>th</sup>-12<sup>th</sup> grade) may attend. Please contact Christina Wagner at [whoischristinaw@gmail.com](mailto:whoischristinaw@gmail.com) for additional questions.
